Confidential Claim Retracted

Authorized by: SC

Date: 6/12/13

Dear Governor Pedro:

Enclosed, for your records, is a signed copy of the contract for a study to assist the Pueblo with a means of obtaining an adequate information base so that it can make informed decisions with respect to the proposed reclamation alternatives, including a newly-proposed scenario on the groundwater recovery level issue, and the offer to settle by the Anaconda Minerals Company. The contract is in the amount of \$65,000.

I will serve as the Contracting Officer's Representative (COR), and I would appreciate an opportunity to meet with you at your earliest convenience to review the contract and insure a mutual understanding as to the manner and methods by which the terms of the contract will be fulfilled. It will also be necessary for you to submit a breakdown to show how the budget figures were determined. It is my understanding that Mr. Mike Perry, of the Area Contracting Office, has previously informed Ron Solimon of this requirement.

Sincerely,

*Ronald E. Solimon*  
Superintendent
